

Subj: Information about Open House Events at Various IITs (optional)

Dear Candidate

Heartiest congratulations on your achievement.

The Indian Institutes of Technology (IITs) are institutions of national importance established through Acts of Parliament for fostering excellence in education. Over the years, IITs have created a world-class educational platform that is dynamically sustained through quality teaching and internationally acclaimed research with excellent infrastructure and the best available minds. The faculty and alumni of IITs occupy key positions in academia and industry throughout the world and continue to make a considerable impact on all sections of society.

Various IITs are conducting open house events (online live meetings) to provide more information about their respective institutes. The details of these events are given below. You are welcome to explore the events to learn more about the institutes, programs, and other aspects of student life at the different IITs.

Best Regards

Organising Team
